Payment Policy

Thank you for choosing Seashore Women's Health, PLLC as your provider. We are committed to providing you with quality and affordable health care. Because some of our patients have had questions regarding patient and insurance responsibility for services rendered, we have been advised to develop this payment policy. Please read it, ask us any questions you may have, and sign in the space provided. A copy will be provided to you upon request.

1. Insurance. We participate in most insurance plans. If you are not insured by a plan we do business with, payment in full is expected at each visit. If you are insured by a plan we do business with, but don't have an up-to-date insurance card, payment in full for each visit is required until we can verify your coverage. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage.

2. Co-payments and deductibles. All co-payments and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company. Failure on our part to collect co-payments and deductibles from patients can be considered fraud. Please help us in upholding the law by paying your co-payment at each visit.

3. Non-covered services. Please be aware that some – and perhaps all – of the services you receive may be non-covered or not considered reasonable or necessary by your insurance carrier. You must pay for these services in full at the time of visit.

4. Proof of insurance. All patients must complete our patient information form before seeing the doctor. We must obtain a copy of your driver's license and current valid insurance to provide proof of insurance. If you fail to provide us with the correct insurance information in a timely manner, you may be responsible for the balance of a claim.

5. Claims submission. We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company; we are not party to that contract.

6. Coverage changes. If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits. If your insurance company does not pay your claim in 45 days, the balance will automatically be billed to you.

7. Nonpayment. If your account is over 90 days past due, you will receive a letter stating that you have 20 days to pay your account in full. Partial payments will not be accepted unless otherwise negotiated. Please be aware that if a balance remains unpaid, we may refer your account to a collection agency and you may be discharged from this practice. If this is to occur, you will be notified by regular and certified mail that you have 30 days to find alternative medical care. During that 30-day period, our physician will only be able to treat you on an emergency basis. **Please be aware that should your account be referred to a collection agency, the percentage charged by the collection agency to our practice will be added to the total amount of your bill.**

8. Missed appointments. There is a \$25 no-show/late-cancellation fee. All appointments must be canceled 24 hours prior to your appointment (or by 12 PM on Friday for a Monday appointment), to avoid charges for a no-show or late cancellation. After hour messages regarding cancellations maybe left at (910) 833-7199. Insurance will not cover charges for no-show/late-cancellation fees.

9. Copies of Medical Records and Insurance/Disability Forms. Our office will gladly make copies of medical records for you. The fee for this service is \$15.00 per set. If you need our office to complete any disability forms or forms for your insurance company or other parties, we will be glad to do so for a fee of \$15.00, payable in advance.

I have read and understand the payment policy and agree to abide by its guidelines:

Appointment Cancellation / Late Policy

Please note our cancellation / late policy as outlined below. We ask your cooperation should you need to reschedule your appointment or if you are going to be late for your scheduled appointment.

If you need to reschedule your appointment:

1. We require a **24-hour notice** in the event that you need to reschedule your appointment. This will make the appointment time available to someone else. Our scheduling number is 910-833-7199.
2. If the office is closed, please leave a message on our answering machine and we will call you to reschedule your appointment.
3. If you miss an appointment without contacting our office, a fee of \$25 will be charged to you for a missed appointment.
4. If you accumulate a total of three (3) missed appointments, you may not be rescheduled for future appointments and you may be discharged from the practice.

If you are going to be late for your appointment:

1. If you are less than 15 minutes late for your scheduled appointment, you will be seen as soon as possible. Your office visit may need to be shortened in length or you may have to wait a bit longer to be seen.
2. If you are more than 15 minutes late to your scheduled appointment, your appointment may need to be rescheduled.

If you have any questions regarding this policy, please let our staff know and we will be glad to clarify any questions you may have.
